Tranquility Bay Provides the Ideal Setting for a Florida Keys Wedding

MARATHON, Florida Keys (Aug. 10, 2006) – Tranquility Bay, the newest luxury Beach House Resort in the heart of the Florida Keys, offers couples the ideal setting for a fantasy beach wedding, facilitated by expert professional wedding planners and featuring an elaborate array of wedding packages and services.

“Our goal is to make the wedding planning process as easy and seamless as possible for the bride and groom,” said Tyler Walters, General Manager of Tranquility Bay Beach House Resort.” That’s why we offer so many options for consideration. This is their special day, and we want them to have an elegant, tranquil and unique experience.”

The perfect location for the perfect Keys wedding, Tranquility Bay is nestled on a 12-acre private enclave with lushly landscaped grounds and an abundance of towering coconut palms. The resort features 87 two and three-bedroom luxury beach houses, an expansive 2.5-acre sandy private beach, one of the Florida Keys’ largest lagoon swimming pools, waterfront event space and a state-of-the-art fitness center.

Tranquility Bay offers the ultimate in outdoor ceremony locations: the Sunset Gazebo, a classical Key West style gazebo located on the turquoise waters of Tranquility Bay; Sunset Beach, 3,000 square feet of pristine, private beach directly on the Gulf of Mexico, providing for dramatic sunsets over the waterfront setting; or the Great Lawn, 3,000 square feet of impeccably manicured lawn, also overlooking the Gulf of Mexico. Accommodating weddings from 5 to 200 people in unmatched style, each setting offers romantic waterfront views perfect for incredible receptions and spectacular wedding photos. A state-of-the-art luxury tent is available for all outdoor ceremonies.

Reception menus feature selections inspired by Tranquility Bay’s Butterfly Café, the newest fine dining destination for coastal cuisine in the Keys. Entrees include

Horseradish Crusted Florida Grouper, Cuban Spiced Roasted Pork Loin and Grilled Moulard Duck Breast with Chipotle Honey Glaze.

Tranquility Bay's experienced professional wedding planners will guide the wedding couple through each aspect of the ceremony and reception with plans and packages that cover every possible need from photography to wedding cake and flower choices. Dance floors, wedding arches and tiki torches are just a few of the special options couples can choose when planning their celebration.

To provide for total relaxation before the ceremony, couples may take advantage of Tranquility Bay's "Island Spice" custom private spa services, which are administered in the comfort of the guests' Beach House. Island Spice spa services feature an extensive menu of in-home treatments, including exotic massages, facial massages, exfoliation and manicures. Custom-made poultices, facial and body masks, and even vibrational energy balancing are among the treatments that have been brought all the way from Java, Phuket (Thailand), Hawaii, Fiji and Goa (India) to Tranquility Bay.
